[Answer](#)

What if I have problems using your software? Do you offer tech support

If you have any questions or encounter any problems, you can contact our support team via email or our online contact form for assistance.

Recommended Operating System configurations for PC Brother IE Care Free?

Windows XP, Windows Vista and Windows 7.

I have attempted to download the software many times, but each time the downloaded file is bigger than the file size listed on the web site. Why am I having this problem?

This problem seems to occur only when using a download manager with specific network conditions. If at all possible, you will have better results by downloading the software normally through your browser.

Do you produce a version of PC Brother IE Care Free for the Mac?

No. PC Brother IE Care Free Soft Development Team does not develop Macintosh software

at this time. Unfortunately, as we are not familiar with the Macintosh software market, we do not know of a solution to recommend for similar operations on the Mac platform.
